SOFT SKILLS

- Project Management
- Teamwork
- Time Management
- Leadership
- Critical Thinking
- Mentorship & Leadership

LANGUAGES

- Python
- C++
- Javascript
- SQL

BACKEND & WEB TECHNOLOGIES

- Node.js
- Express.js
- Flask
- Django (Basics)
- RESTful APIs
- JWT Authentication
- OAuth 2.0

CLOUD & TOOLS

- Git & GitHub
- Postman
- Docker (Basics)

PROFILE

Backend Developer and Data Analyst with experience in designing REST APIs, managing databases, and performing data analysis to support business decisions. Proficient in Python, SQL, Node.js, and modern backend tools, with a strong emphasis on performance, security, and maintainability. Interested in building reliable systems and working on data-driven products.

PROJECT

Missing Person Detection System & FindMe App for User

React native, Node.js, Express.js, MongoDB, Mongoose, JWT (JSON Web Tokens), express-validator / Joi, dotenv, Python

- Built a missing person detection system using face recognition and backend APIs to identify potential matches from stored image data.
- Focused on accuracy, performance optimization, and secure handling of personal records.

ECG Monitoring System IOT AND MACHINE LEARNING Communication

Keras NumPy TensorFlow Artificial Intelligence (AI) Django sklearn Statistical Modeling Deep Learning

- Check the ECG of the patient and find the causes of chest-pain or anything
- Low Cost, Portable Machine Operated in anywhere from any system

MediVault (Secure Health Storage):

Node.js, Express.js, MongoDB, Mongoose, JWT (JSON Web Tokens), express-validator / Joi, dotenv

- MediVault helps healthcare providers track and manage patients' ECV levels efficiently, enabling early detection of fluid imbalance or related health risks.
- It provides a centralized platform for securely storing and retrieving sensitive medical data, thereby reducing paperwork and ensuring prompt, authorized access for doctors and patients.

EDUCATION

JIS COLLEGE OF ENGINEERING, KALYANI

Computer Science & Engineering Bachelors

September 2022 - June 2026
Nadia, West Bengal

CGPA: 8.2

Kotalpur High School (Secondary & Higher Secondary)

Jan 2014 - July 2022
Kotulpur, Bankura, 722141

95%, 91%
